

Day 2

Immigrant Profile

I. You are to conduct research on an actual immigrant to the United States. It may be any time period (even up to the present) and your person can be from any country. In your profile, be sure and include the following information.

1. Name and Age
2. Nationality/Ethnicity/Religion
3. Date of immigration
4. Where they settled in the US
5. Type of job they had and wages earned
6. Family members
7. Treatment they encountered
8. Works cited (on the back of the poster)

II. Put this information on a poster making sure it is large enough to read. Include a minimum of 3 pictures. Each number is worth 5 points, neatness and appearance of poster is 10 points, and presentation to the class is 10 points for a total of 60 points possible.
